SERAFINA BAR INTRODUCING
PERFECT GIN & TONIC

*Tonic water was first enjoyed in 1825 when ingenious
(or hard drinking, depending on how you look at it)
British officers in the Indian Army improved their anti-malaria medicine.*

*Peruvian quinine extract—by mixing it with soda water, sugar, and gin.
Instead of drinking the medicine with their troops at dawn,
the officers figured out how to enjoy it at cocktail hour.*

*The original gin and tonic was born!
It soon became the quintessential drink of the British Empire and the world.*

*Some refreshing yet complex combinations of aromas
fruits, spice infused Ice shaped to the adequate glassware.*

*Kindly be informed that all our spirits are based on
30 ml (1 oz) pouring measure.*
